Dit document is beschikbaar op studeersnel

Downloaded by D??ng ?? Tùng (duongjonh06@gmail.com)

- I took up this habit about 1 years ago.
- I think that I need to do something energetic to reduce stress, so I decided to go jogging.

- **Where you do it**

- After stressful school hours, I usually go jogging in the park or in the street every afternoon. Sometimes, I also go jogging in the morning to get some fresh air.

- **Who you do it with**

- I often go jogging with my friend to get motivate to practice everyday. Sometimes I go jogging alone when my friend is busy.

And say why you like doing it.

- Thanks to jogging,
- I was able to lose my fat belly and get lean.
- Also, jogging allows me to unwind and enjoy fresh air, and whenever I go jogging I feel like my mind is being refresh, and I try to maintain it. (Cách 2: In the future, I am going to keep doing this to stay healthy) (*Nhờ chạy bộ mà tôi đã giảm mỡ bụng và trở nên thon gọn. Ngoài ra, chạy bộ giúp tôi thư giãn và tận hưởng không khí trong lành, và mỗi khi chạy bộ tôi cảm thấy đầu óc sảng khoái và C1: Tôi cố gắng duy trì nó (Cách 2: Trong tương lai, tôi sẽ tiếp tục làm điều này để giữ gìn sức khỏe*)

PART 3: TWO-WAY DISCUSSION

1. **Do you have any unhealthy habits?**

   - Lately, I have had the unhealthy habits of stay up late.

   - I usually stay up late to do my HW, sometimes watch YT,tiktok and play games.

2. What do you think is more important: eating healthily or doing exercise?

- In my opinion, eating healthily and exercise are quite essential for long term weight loss and overall health care.

Downloaded by D??ng ?? Tùng (duongjonh06@gmail.com)

- We need to balance both food and exercise for healthy living.

- Therefore, a person must eat healthily and exercise regularly to achieve long-lasting results.

(Theo tôi, ăn uống lành mạnh và tập thể dục là rất cần thiết để giảm cân lâu dài và chăm sóc sức khỏe tổng thể. Chúng ta cần cân bằng cả thực phẩm và tập thể dục để có cuộc sống khỏe mạnh. Do đó, một người phải ăn uống lành mạnh và tập thể dục thường xuyên để đạt được kết quả lâu dài.)

3. What other healthy habit(s) would you like to have? Why?

- (Sleep Well) a good night's sleep keeps you in a better mood, sharpens memory(tăng cường trí nhớ), focus and helps you learn new things.

-(get your exercise) regular exercise helps control weight, maintain healthy bones, muscles and reduce some stress.

- (Learn Something New) New skills help keep your brain healthy.

4. Is it easy in your hometown to find places to exercise?

- Where I live there are many places to exercise such as park, street, football field…

- For me, I often go to the footbal field to exercise and play football with my friends.

5. What are the most popular ways of keeping healthy in your country?

- In my country is usually divided into age groups.

- So, the younger group is usually found in the gym or playing sports. With age, the older generation prefers walking or jogging along with nature

Ask the candidate to talk about the topic he/she has chosen.

Describe a city, town or village you know well or you have visited

You should say:

- **Where it is & How the weather is there**
- **What kind of people live there**
- **What visitors can see and do there**

And say if you think it is a good place to live or not, and why.

You should say:

- Today I will share with you a place I used to visit

- **Where it is & How the weather is there**

- 2 years ago, I took a trip with my family to DaNang beach.
- The weather here is quite pleasant, the air is fresh and cool
- and it's usually sunny in Danang.

- **What kind of people live there(những loại người sống ở đó)**

- The people are very friendly, sociable and honest.
- People always help each other in everything.
- And their lifestytle is slow and gentle. I like it

- **What visitors can see and do there(du khách có thể xem làm gì ở đó)**

- People can eat fresh seafood, take beautiful pictures, buy some souvenirs.
- People often walk for an hour or 2 along the seashore to enjoy the beautiful surround.
- And , People can see the traditional places.

And say if you think it is a good place to live or not, and why ?(có là nơi tốt để sống ko?)

- I think this is a good place to live.
- It is a suitable place for young and dynamic people.

Downloaded by D??ng ?? Tùng (duongjonh06@gmail.com)

- it’s a great place to relax and reduce stress.
- The place helps people explore new things, new culture

PART 3: TWO-WAY DISCUSSION

1.What are the advantages/disadvantages of living in the city?

- Nowadays, more and more people choose to live in the city:

+ First of all, if we live in the city, we will have many chances get the developing science and technology.

+ Secondly, we will have many different ways to spend our free time. There are a lot of theatres, concerts and other kinds of entertainment.

- Besides advantages, living in the city have a lot of disadvantages:

+ The higher cost of living is the first disadvantage

+ Cities have more people and more traffic that contribute to the noise

2. What are the advantages/disadvantages of living in the countryside?

- Nowadays, more and more people choose to live in the countryside:

+ You can enjoy fresh air, clean rivers, peaceful views, and simple life there.

+ Besides, there will be no traffic jams, It’s quite and silent

+ The cost of living there is cheaper

- Besides advantages, living in the countryside have a lot of disadvantages:

+ We won’t have many chances get the developing science and technology.

+ We won’t have many different ways to spend our free time. There are not theatres, concerts and other kinds of entertainment.

3. Do you think it is better to live in the countryside or in the city?

- I prefer to live in the city because i think that life in a city is always more exciting and more comfortable.

+ In cities there is usually something to do or somewhere to go.

+ There are a lot of good shops where we can do the shopping easily and quickly.

+ Moreover there are many sports facilities such as swimming pools, gym halls or football field.

4. What are the best things about your hometown?

- My hometown is Long Bien district

+ To be honest I would say I like everything such as

*My hometown where I live has a very peaceful atmosphere which is really good our for health

*I really like the friendly of the people in my hometown

*And My hometown has a lot of delicious snacks

5. What are the main tourist attractions in your area/ in Vietnam?

- Ha Long Bay is one of the seven natural wonders in the world.

- There are lots of beautiful caves and islands in Ha Long, so you must take a boat trip and go sightseeing.

- The seafood is really fresh and delicious

- Ha Long Bay is an ideal place to relax after hard-working days.

6. Which place would you most like to visit? Why?

- I think Nha Trang is the most interesting city

+ It is a clean and beautiful beach with blue water and white sand.

+ I really like the friendly of the people in NHATRANG

+ The seafood is really fresh and delicious

+ People always help each other in everything.

+ And their lifestytle is slow and gentle. I like it

+ **Nha trang** is an ideal place to relax after hard-working days.

TOPIC 3

PART 2: LONG TURN

Ask the candidate to talk about the topic he/she has chosen.

Talk about some envionmental issues in the place where you live.

You should say:

- Today I would like to talk some envionmental issues in the place where I live

Nowadays, environment is a popular term with everyone in the world

- **What kinds of pollution are in your city**

- In my city, There are kind of pollution such as air pollution, water pollution, noise pollution and litter

- **What other serious environmental problem are in your city**

- In my place, I think air pollution is one of the most serious environmental problems

- **What causes these problems**

- Some typical causes of air pollution

  + The population is increasing day by day

  + There are a lot of transportation

  + There are many infrastructure building materials

And say what you can do to solves these problems

- To solves these problems we need:

  + Plant a lot of trees

  + Don’t throw garbage

  + Limit the use of chemicals in agriculture and industry

  + priority use of public transport such as bus,..

PART 3: TWO-WAY DISCUSSION

1. **In your opinion, what is the most serious environmental issue in the world nowadays?**

- - Nowadays, I think air pollution is one of the most serious environmental problems

- Becaues :

+ The population is increasing day by day

+ There are a lot of transportation

+ There are many infrastructure building materials

2. Do you think the pollution is more serious in big cities than in the countryside?

- I think the pollution is more serious in big cities than in the countryside because:

+ in cities The population density is high,

+ production and construction develop a lot,

+ There are a lot of transportation

+ There are many infrastructure building materials

So it creates polluted air

+ in the countryside, The population density is low, the space is spacious , there are many trees,

3. Have you taken part in any environmental activities/events or projects? If yes, what are they?

- Now, I am second year in university, I spend most of my time for studying.

- So I have very little time to participate in activities.

4. What do you and your family do every day to save the envionment?

- To save the environment:

+ Plant a lot of trees

+ My family sort the garbage

+ We use paper bag instead of plastic pag.

TOPIC 4

PART 2: LONG TURN: Ask the candidate to talk about the topic he/she has chosen.

Describe a memorable holiday you have had.

You should say:

- Today, I would like to talk describe a memorable holiday.
    - **Where you went**
- My family went to DaNang beach last summer to spend a vacation.
- It is one of the most memorable experiences for me so far
    - **How you travelled there**
- I moved there by train because it's quite far from where I was staying.
- Trains have beds so it makes everyone in the family not tired
    - **Who you went with & what you did**
- I went with my family including father, mother, sister, grandfather and me

  + We stayed in hotel near the beach and I mostly spent my time near the beach

  + We often walked for an hour or 2 along the seashore to enjoy the beautiful surround.

  + And my family went shopping souvernirs together

why you remember this holiday well.

- It was the best holiday for me as I spent it with my family.
- I also didn't have seen such beautiful seabeaches before.
- And The narutal views of the beach were outstanding and I loved the seafood.
- (Đó là kỳ nghỉ tuyệt vời nhất đối với tôi khi tôi dành nó cho gia đình mình. Tôi cũng chưa từng thấy những bãi biển đẹp như vậy trước đây.Và Khung cảnh tự nhiên của bãi biển thật nổi bật và tôi yêu thích

hải sản)

PART 3: TWO-WAY DISCUSSION

1. **Do you like to travel? Why or why not?**

- Travelling is like a hobby for me, you know it's a great way to relax and reduce stress.
- Travelling helps me explore new things, new culture
- And it's a wonderful experiencee everytime.
- **Đi du lịch giống như một sở thích đối với tôi, bạn biết đó là một cách tuyệt vời để thư giãn và giảm căng thẳng.**
- **Đi du lịch giúp tôi khám phá những điều mới, nền văn hóa mới**
- **Và đó là một trải nghiệm tuyệt vời mọi lúc.**

2. Can you name some famous tourist attractions in your country.

- In my country, there are quite a few famous tourist attractions such as Ha long bay, nha trang-sam son-da nang beach, the Temple of Literature, the 1 pillar pagoda, ….
- These places are often very attractive to tourist.

3. What's the best place you've ever visited?

- The best place I have ever visited is Da Nang beach. It is one of the most memorable experiences for me so far
- And I also didn't have seen such beautiful seabeaches before.
- And The narutal views of the beach were outstanding and I loved the seafood.

4. Which means of transport is the most convenient for you?

- I think the convenient of transportation is by car or by train because

+ It can cover the sun, the rain and in winter it can also avoid the cold. It's a great vehicle.

5. What problems might happen when people are going on their holiday?

- There are many problems for example during the holidays ,
- people usually go quite crowded
- The cost is very expensive especially in holiday seasons.

Downloaded by D??ng ?? Tùng (duongjonh06@gmail.com)

- And maybe some places the food is usually not good.
